It is important to clarify that Boys & Girls Clubs of Greater Tampa Bay is a distinct and separate 501(c)(3) organization and is not affiliated with the former Boys & Girls Clubs of Hernando County. Our entry into the Hernando County community represents a fresh start, backed by nearly a century of operational excellence and financial stability. In partnership with the Hernando County Department of Parks & Recreation, BGCGB will offer programs and services at a facility in Coach Lorenzo Hamilton Sr. Park beginning Summer 2026.
