CELEBRATING 100 YEARS OF IMPACT

A century of belonging, hope, & possibility

For 100 years, Boys & Girls Clubs of Greater Tampa Bay has empowered young people to discover their potential and shape their futures. As we look ahead to our 2026 Centennial, we celebrate a legacy built on safety, opportunity, and unwavering belief in the promise of every young person.

Today, we are more committed than ever to preparing youth and young adults to be future-ready – providing life changing programs, real-life experiences, and clear pathways that help them succeed in the classroom, the workplace, and in life. The needs of young people are evolving, and so must we.

To ensure the Clubs remain strong, relevant, and responsive for generations to come, we are launching our Centennial Campaign – a bold, transformative effort to expand what's possible for young people across Tampa Bay. This special campaign goes above and beyond our annual support, creating a once-in-a-generation opportunity to invest and giving donors a rare chance to leave a lasting mark on the lives of young people for decades to come.

BOYS & GIRLS CLUBS IS NOW GREATER... & EVEN GREATER FOR FUTURE GENERATIONS

GREATER IN ACCESS

Every child deserves a place that believes in them.

Our campaign expands access by growing our geographic reach, building and renovating facilities, and increasing transportation capacity. With expanded access, more young people will step into environments where they are supported, challenged, and inspired every day.

GREATER IN OPPORTUNITY

Future-ready youth need future-ready resources.

We will elevate our programming with world-class opportunities in STEM, the arts, athletics, mental health, leadership development, and workforce readiness. From robotics labs to art studios to wellness services, we aim to provide experiences that prepare youth not just for school—but for life and meaningful careers.

GREATER IN EQUITY

Equity is the foundation of our mission.

Every young person, regardless of income, background, or zip code, deserves clear pathways to success. Your investment ensures that barriers are removed and resources targeted where they are needed most—so every child receives consistent, high-quality support and the chance to thrive.

GREATER IN IMPACT

The next century of leaders is already walking through our doors.

Your support equips youth with real-world experiences and life-changing relationships that empower them to become the innovators, advocates, and difference-makers who will shape Tampa Bay's future—and the future of the world.
