ABOUT YOUTH OF THE YEAR

For more than 76 years, the Youth of the Year program has honored and celebrated the nation's most inspiring teens and their incredible journeys. Stories of outstanding leadership, service, academic excellence and dedication to living a healthy lifestyle have made Youth of the Year America's premier leadership and recognition program for teens. These amazing young people represent the voice and spirit of hope for America. Inspiring all kids to lead. To succeed. To inspire.

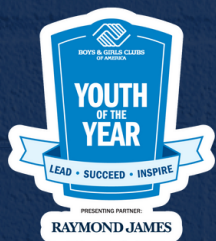

Each year, one exceptional Club member is selected to be the National Youth of the Year, serving as an ambassador for Boys & Girls Club youth as well as a voice for all of our nation's young people. Over the decades, these individuals have exemplified the Boys & Girls Club mission and are proof to the impact Clubs make in transforming and saving kids' lives. National Youth of the Year winners have achieved success in a variety of industries, including entertainment, politics, business and sports.

The State Youth of the Year Competition is the next step for teens on becoming the National Youth of the Years. Teens, staff, and partners will join together for three days in Tampa, where the State winner will be announced, thus representing the entire state of Florida as an exceptional and outstanding teen.
