OVER 10 YEARS OF BREAKFAST WITH IMPACT

Denzel Washington, Jennifer Lopez, CC Sabathia, Shaquille O'Neal, Kerry Washington - these are just a few of the Boys & Girls Clubs Alumni that have affirmed the positive impact that the Club had on their lives and in their communities. For more than 150 years, Boys & Girls Clubs of America (BGCA) has provided guidance to youth, improving their academic success, health and well-being, and providing character and leadership skills.

Since its launch in 2012, the Great Futures Breakfast has been a critical fundraising platform for our organization to raise funds in order to transform lives in our community serving as an opportunity to unite hundreds of professionals, leaders, and philanthropists for a morning of networking, inspiration, and generosity - raising over \$1M annually to support Clubs throughout Hillsborough and Pasco County.

NEARLY 100 YEARS OF BUILDING GREAT FUTURES

Mission: To enable all young people, especially those who need us the most, to reach their full potential as productive, responsible, caring citizens.

Boys & Girls Clubs of Tampa Bay has been a vital thread in the fabric of the Tampa Bay community for almost 100 years. In 1926, the Tampa Rotary Club established the first Club - the West Tampa Boys Club. After successfully financing and operating the Club for almost 20 years, the Rotarians recognized a need for expansion and thus began the growth of an organization dedicated to serving young men and women.

Since opening the first Club doors in the community, Boys & Girls Clubs of Tampa Bay has expanded its reach to serve thousands of young people in Clubs, Community Hubs, and Schools. With 25 locations in Hillsborough and Pasco County, the organization is committed to empowering youth, supporting families, and inspiring communities.
