

Transportation Policy

Boys & Girls Clubs of Tampa Bay is committed to providing a safe environment and enforces the following transportation policy for members, staff, volunteers, and other adults. Boys & Girls Clubs of Tampa Bay only provide transportation to and from the Clubhouse and various approved off-site locations. The Club only transports youth in Club vehicles or other vehicles approved by Club leadership.

DRIVERS:

- Must allow for DMV background check and be cleared to transport youth per the barrier crime policy of the organization.
- Must keep an updated list of all youth transported to and from the Clubhouse and Club-related activities.
- Must confirm that no children are left on a vehicle after every trip (based on a seat-by-seat scan of each vehicle); log must be signed daily to ensure compliance.
- Must perform regular checks to ensure that all members are picked up and dropped off at the appropriate times and locations.
- Must submit written reports detailing issues or incidents involving the transportation of members to and from the Clubhouse or to and from Club-related activities.
- Must only transport members in official Club vehicles.
- Must ensure that at least three individuals are present when transporting members. If one child remains to be dropped off, two adults (18 or over) must be present in the vehicle.
- Must never transport Club members in personal vehicles.
- Must never use cell phones, PDAs, or other communication devices while operating vehicles when transporting members to and from the Clubhouse or Club-related activities.

VEHICLE

- Each agency vehicle should meet local, state, and federal inspection and licensing requirements.
- Each vehicle should be inspected as outlined by DOT/DMV by staff before every trip for which youth are being transported; any problems with the vehicle must be addressed promptly.
- Regular maintenance should be performed on vehicles, and documents/records reflecting that maintenance should be maintained.
- Each vehicle must provide a seat belt for every passenger and fully comply with state and federal seat belt regulations.
- Each vehicle must have a complete first-aid kit that satisfies state licensing requirements.
- Each vehicle must have a working and current fire extinguisher that satisfies state licensing requirements.
- Each vehicle must have reflective traffic warning signs (e.g., triangles or flares) that are stored securely during transport.
- The vehicle must be clean and well maintained, and exterior physical damage must be repaired promptly.

SHARED-USE RESTROOMS

- On a field trip or when using a public restroom, youth shall never enter the restroom alone unless it is a single-stall restroom that is empty.
- Youth shall follow the "rule of three" in using public restrooms, with at least two youth and an adult walking to the restrooms and three youth entering a multi-stall facility together. The adult will remain outside the restroom door to provide auditory surveillance.
- Whenever possible, staff/volunteers will monitor and clear public restrooms before use by members to ensure that the facility is free of adults – and clear of youth not involved in the Club program – before allowing youth to use the facilities. Alternatively, staff members will stand in the restroom doorway and/or hold the door at least partially open when supervising member use of public restrooms. Staff may position themselves inside the restroom near the sinks if positioning the door is not feasible or deemed ineffective.
- In a shared-use facility, Boys & Girls Clubs will utilize the best practice of shutting the exterior door to the restroom and using an "Occupied" sign outside of the door to alert others that they must wait until Club members have exited the restroom before they can enter

ACCIDENT OR EMERGENCY PROTOCOL

- Driver should immediately notify Club leadership if there is a delay or issue (e.g., breakdown, accident, emergency) with transporting members to and from the Clubhouse or Club-related activities.
- Staff shall immediately inform Club leadership if a staff member, volunteer, or board member violates this policy. In such a case, the organization will take appropriate disciplinary action, up to and including termination.

Through the appropriate use of Club and community resources, Boys & Girls Clubs of Tampa Bay strive to mitigate the immediate effects of an emergency and its long-term effects on Club operations and mission by being prepared to respond to and recover from an emergency effectively.
